

## 2020 Circulation

Today people rely on libraries, now more than ever, to provide services and programming that engage, educate, and reflect the needs of the community. We are proud to serve our friends and neighbors and sincerely thank you for your continued support.

**Thank You!**

## 2020 Annual Report To The Community

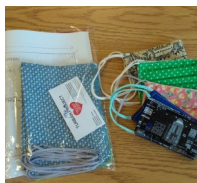

## 2020 in Review...

2020 brought unexpected challenges and exciting new developments. We were just about to begin construction on the community room when we shut down in March due to the pandemic. The first day our doors closed our programming went online and we began providing services with safety. We helped the community connect to the internet and by lending out Wifi Hot Spots. Once the building was reopened, our new bathrooms and kitchen were completed. We also installed new circulation desk cabinets.

**During the Covid –19 Pandemic**  
**we provided free internet, masks,**  
**hand sanitizer, wipes and**  
**Over 100 videos for you to**  
**access anytime!**

## Providing for our Community

Virtual programming and Learning kits allowed us to serve you from home. From Nursery School to cooking and craft videos we did it all! Once we reopened we could bring back community favorites like Santa's Secret Shop by appointment.

Santa's Secret Shop

Candle Decorating

Easter Bread DIY

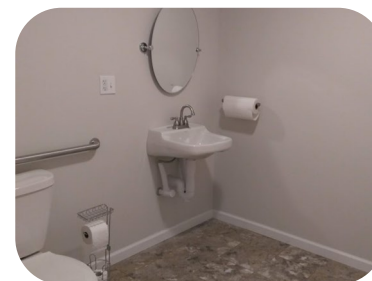

Facebook Live Storytime from  
the Cohocton River with the DEC.

## New in 2020!

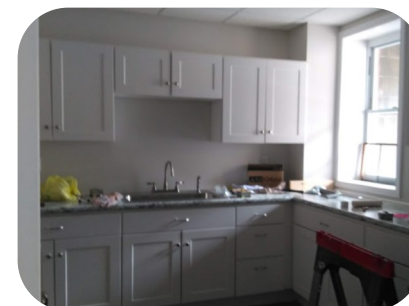

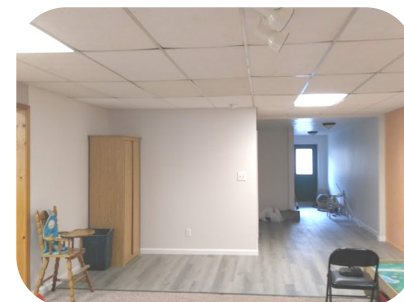

Virtual Nursery School  
Facebook Live Storytime  
Home Learning Kits  
Springwater Little Free Library  
2 New Bathrooms  
New Circulation Cabinets  
Fine Free Checkouts

## Continuing our growth!

Two new ADA  
compliant bathrooms

Reconstructed  
hallway with  
bathrooms

Relocated and  
renovated  
kitchen for  
future  
programs!

### *For the future:*

Our community room project will continue with opening up the wall between rooms and a new handicap accessible front door.

2021 will also see updates to our roof, basement and security system.
